### Pastor Mark's Blog – 19<sup>th</sup> January 2019

In February we will start our next sermon series on the Parables of Jesus. It is so true that a picture is worth a thousand words!

“In Christ’s parable teaching the same principle is seen as in His own mission to the world. That we might become acquainted with His divine character and life, Christ took our nature and dwelt among us. Divinity was revealed in humanity; the invisible glory in the visible human form. Men could learn of the unknown through the known; heavenly things were revealed through the earthly; God was made manifest in the likeness of men. So it was in Christ’s teaching: the unknown was illustrated by the known; divine truths by earthly things with which the people were most familiar.” Christ’s Object Lessons (p. 17).
