Pastor Mark's Blog – 26th January 2019

Next week we will start the series on the Parables of Jesus.

“Christ had truths to present which the people were unprepared to accept or even to understand. For this reason, He taught them in parables. By connecting His teaching with the scenes of life, experience, or nature, He secured their attention and impressed their hearts. Afterward, as they looked upon the objects that illustrated His lessons, they recalled the words of the divine Teacher. To minds that were open to the Holy Spirit, the significance of the Saviour’s teaching unfolded more and more. Mysteries grew clear, and that which had been hard to grasp became evident.”
(Christ’s Object Lessons (p. 21)).
