The parable of The Wedding Feast is found in Matthew 22:1-14.

“The parable of the wedding garment opens before us a lesson of the highest consequence. By the marriage is represented the union of humanity with divinity; the wedding garment represents the character which all must possess who shall be accounted fit guests for the wedding.

In this parable, as in that of the great supper, are illustrated the gospel invitation, its rejection by the Jewish people, and the call of mercy to the Gentiles.” White, E. G. (1900). Christ's Object Lessons (p. 307).
