This Sabbath we welcome George Nyatanga and family from Norwich Church. Today we will look at the parable of “The Dishonest Manager” found in Luke 16:1-8.

“The servant in the parable had made no provision for the future. The goods entrusted to him for the benefit of others he had used for himself; but he had thought only of the present. When the stewardship should be taken from him, he would have nothing to call his own. But his master’s goods were still in his hands, and he determined to use them so as to secure himself against future want. To accomplish this, he must work on a new plan. Instead of gathering for himself, he must impart to others. Thus, he might secure friends, who, when he should be cast out, would receive him. So, with the Pharisees. The stewardship was soon to be taken from them, and they were called upon to provide for the future. Only by seeking the good of others could they benefit themselves. Only by imparting God’s gifts in the present life could they provide for eternity.” White, E. G. (1900). Christ’s Object Lessons (pp. 369–370).
