Pastor Mark's Blog

The Wrath of God! Is it glorious? Is it something we can take comfort in? The problem we have is that human wrath or anger is not remotely a reflection of God's wrath. Human wrath is inconsistent and is almost always because of wounded pride and self-centredness.

This cannot be said about the Lord. The wrath of God is directed against evil alone. Nothing arouses it except evil, and evil always does. As one author puts it, "his wrath is his holy hostility to evil, his refusal to condone it or come to terms with it, his just judgment upon it".

That is why God's glorious wrath, from our righteous God, righteously makes righteous the unrighteous. Such is a comfort to all that believe in Christ.
